NTU Engineering Ranks Among World's Best

In the US News & World Report's global ranking of engineering schools released in October 2014, NTU's College of Engineering was placed 5th among all engineering institutions in the world and 2nd in Asia. The ranking is based primarily on strengths in research output in all engineering topics using the Web of Science™ International database.

In the Essential Science Indicators 2014, NTU Engineering research output was among the top six globally and the 6th most-cited worldwide.

NTU’s Engineering and Technology climbed five positions to Number 9 in the world and 2nd in Asia, in the QS 2014/15 World University Rankings.

In the Academic Ranking of World Universities 2014 produced by Shanghai Jiao Tong University, NTU Engineering was ranked 12th globally and 1st in Asia.
